

EMINENT

Towards the enhancement and harmonisation of HEIs Quality Assurance in Haiti in response to National and International developments

Towards the enhancement and harmonisation of HEIs Quality Assurance in Haiti in response to National and International developments

Main objective

EMINENT project aims to enhance and harmonise Higher Education Quality Assurance procedures in Haiti, boosting international appeal and adequacy to employers needs of Haitian HEIs.

INSTITUTIONAL BUILDING

Set up Quality Assurance Units at each partner University & establish a solid Network of Universities with vested interest in improving their Quality Assurance procedure.

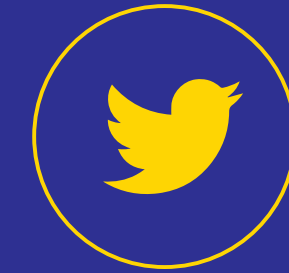

CAPACITY BUILDING

Actions to carry out with 4 sets of Trainings & Workshops for the academic & administrative staff of the partners institutions.

INFRASTRUCTURE BUILDING

Investment in office equipment & software to develop Quality Assurance activities.
